ARROYO®

A COLLECTION BY JEFFREY COURT

THE
INSPIRATION

“NATURE ALWAYS WEARS
THE COLORS OF THE SPIRIT.

- R A L P H W A L D O E M E R S O N

Chapter 9, Arroyo® was inspired by a passion for the outdoors. From colors to patterns and textures, this collection symbolizes the natural elements you typically find while adventuring outdoors. Whether it be the mystic rippling of wind-blown dunes or the smooth surfaces left from the trails of erosion, the textures found in each piece of tile evoke a feeling of being one with nature.

Additionally, the neutral color palette was intentionally selected to allow for the textures to be the emphasis

of each tile. The tactile and visually dynamic characteristics are achieved through the use of three-dimensional surfaces. Arroyo gives a nod to modern traditional that meets a neutral understated palette.

This collection features ceramic field tiles and travertine mosaics and field tiles perfect for creating dramatic accent wall installations in residential and commercial spaces.

Please Note:
All product shots are artistic interpretations of actual product. Due to the nature of the printing process, we recommend obtaining physical samples of product for actual color representation.

Chapter 9 Arroyo ceramic and natural stone products have moderate shade variation. We strongly recommend laying out and blending the tiles prior to installation. This step will ensure a proper color blend in order to achieve a classic look for your installation. Jeffrey Court recommends a high-quality white thinset for best installation results. A grey mortar, mastic or adhesive could stain or alter the color of the product.
